BATURDAY, MAY 5, 1866. The New York Times, in a long article against the 'Central Directory"

plan of reconstruction, says: der any nircumstances, acquiesce in their Government. There is soom for difference restored and military law withdrawn. of opinion on the general merits of the reconstruction problem; on this point there can be none. The South has taken its stand on the ground of a common citizen ship, and it will never accept as the price of Congressional representation that which would be equivalens to an acknowledgmen of four year's serfdom, or inferiority, as the penalty of rebellion. Nor should it be rske o accede to terms of this nature. Punish the rebel leaders, if necessary, by baniel ment or otherwise. But to p opose to pun-ish a whole people to suit the pertisan con-venience of those who dictate the penalty is an outrage upon justice and common his manity. With all their errors and fault are not coward. They will not belie their nature by writing themselves down slaves, at the bidding of a Committee appointed t consider the question of reconstruction."

The Times does not mistake the temper or determination of the Southern people. They are fully satisfied of the Moses) when blunder they made in taking up arms All radiant from the p.esance of his God." against the Federal Government, and have acquiesced in the result of the these results they are willing to sanction of the Press and Times. abide, and become good citizens, supporting the Government honestly and them; more than this they will not yield, unless from necessity to superior force. One thing is very certain, they will not ratify any amendment disfranchising themselves, and rendering the South a cypher in the Presidential contest of 1868. They have done without representation so far during the present session; they can continue to do thought" of the people of the North is of course has been greatly magnified. roasted alive. rights as citizens of the United States, and appeal from the despotic radicalthey have no fear of the issue,

The Washington correspondent of the son for a writ of habeas corpus, and the action of the President:

The President simply directed that the trial before the Military Commission pro cod, inasmuch as the special authority the same is found in the law before cited July 17, 1862. The President does no however, decide that the writ of habitat con pus shall not nor should not have bee obeyed. It was a mistake in the officers t refuse to make prompt and respectful respon to the writ by setting forth all the facts, and especially the allogation that Honderson was in custody by virtue of, and was to be tried under, the new before named. I have authority for saying that the President re gards the writ of habcas corpus as fully re stored all over the United States, save in Texas. That in all cases where the writis legally issued it should be re-ponded to as above suggested. But the restoration the writ does not prevent the trial by min tary commission under the law of Congress of army contractors for frauds. Nor does lected together, rushed towards him the Peace Proclamation of itself suspend or make void any trial that had been actually commenced prior to the promulgation of "Respectful response!" We cannot two of the assailants, but the gun being
